Instructions

Please play the Dungeons game, answer the following questions, and log any problems below:

User Questions

No	Question	Comment
1	Are the fonts in the game appropriate to the game genre and type?	
2	Are the colours in the game appropriate to the game genre and type?	
3	Are the instructions clear and unambiguous?	
4	Did you encounter any problems navigating from screen to screen?	
5	Did you encounter any problems controlling the game character?	
6	Is the game control layout comfortable?	

7	Was the game too easy or too hard? If so, what could be changed to address the level of difficulty?	
8	How does the quality of the graphics compare with other similar games?	
9	How does the quality of the audio compare with other similar games?	

Problem Log

Please indicate any problems or errors encountered whilst playing the game. The *problem* column should contain a short description of the problem; the *description* column should be used to give a full description of the problem; the *severity* column should contain a rating (see below) and the *solution* column should contain any suggestions you may have for addressing the problem.

Severity

- Minor – this may be a cosmetic, graphical or audio error or some other minor problem that does not impact on gameplay
- Intermediate – a problem that has a negative effect on gameplay that may affect enjoyment of the game
- Severe – has a seriously negative effect on gameplay that would affect enjoyment of the game and playability
